

## Armageddon in people soul

The Apocalypse means in the Greek language Revelation, instead of imposed to all world puritans a stereotype of destruction of the Earth. It does not surprise, in fact puritans identify themselves with a modern civilization. For puritans their script will be executed.

Let's try honesty, openheartedly and by soul to study Revelation (Apocalypse) of Sacred John. This product of the early Middle Ages is sated with the prophetic details including heaps of awful punishments to sinners and religious obsession. For hundreds years it was simply impossible to present a political life, scientific and technical progress and an economic level of today.

### THE BIBLE, THE NEW TESTAMENT, Sacred John Revelation

The chapter with 1-th on 11-th we shall leave without comments. This past. Present time describe the chapter with 12 on 20. Chapter 12-1 describes a sign: « the wife invested with the Sun; under foots her Moon, and on the chapter its wreath from twelve stars ». 12-2 « She had in a belly, and shouted from pains and flours of a birth ». 12-5 « She Also has given birth to the baby man a floor to which it is necessary to a mouth all peoples a staff iron; also its child to the God and His Throne » 12-6 « has been admired And the wife has escaped in desert where the place from the God that had her there one thousand two hundred sixty days » has been prepared for her.

The big red dragon that when she will give birth, to devour its baby (12-3,12-4) resisted to this sign. Also there was a war between Michael and angels on the one hand both a dragon and angels on the other hand. 12-9 « And put down was a great dragon, ancient snake, named a devil and Satan, seducing all universe, put down on the ground and his angels put down with him ».

After overthrow of a dragon it began to pursue the woman who has given birth to the baby. 12-15 « Also has started up snake from the mouth following wives water as the river to carry away her river » 12-16 « But the ground the ground the lips has helped the wife, and open up, and has swallowed up the river which was started up by a dragon from the mouth » 12-17 « And the dragon on the wife has grown furious, and has gone to enter abuse with other from a seed of her, keeping precepts Got and having Jesus Christ's certificate ».

**Comments.** *In chapter 12 it is described in the allegoric form struggle of the Party of the Orthodox Democracy which have put forward the leader for an opposition to Harm on behalf of Puritan America. Before the next elections to Russia there were just 3,5 years. For this time puritans will collapse streams of lie and slander which will not damage to her on a Party.*

**The Bible.** Chapter 13 describes a dragon and two animals of him. The first animal. 13-3 « ... all ground Also marveled, watching an animal, and has bowed to a dragon who has given authority to an animal » 13-5 « And the lips have been given to him, speaking is proud and blasphemous ... » 13-7 « And has been given to him to wage war with sacred and to win them; also the authority above any knee and people, both language and a tribe » 13-8 « has been given to him And all will bow to him living on the ground ... »

The second animal. 13-11 « I Also have seen the second animal leaving the ground ... and He spoke as a dragon » 13-12 « operates before him with all authority of the first animal and forces all ground and living on it to worship the first animal ... » 13-16 « And he will make that everything, small and great, rich and poor, free and to slaves, the tracing on right their hand or on the head them will be necessary, » 13-17 « and that is impossible for anybody will neither buy, nor to sell, besides who has this tracing, either a name of an

animal, or number of his name ».

**Comments.** *Let's forget naive representation about these animals as about devils with brushes and horns. We are in the twenty first century. The first animal is a modern Puritan America. The second animal is the American dollar. Is thought to explain there is nothing. 13-9 « who has an ear, yes will hear ».*

**The Bible.** 14, 15 and 16 chapters we shall leave without comments. In 17 chapter the seventh Angel, 17-1 « ... showing court above Grate Bitch, sitting on waters of many is described; » 17-2 « with her wander tsars terrestrial, and her wine wander reveled living on the ground ». The description richly dressed scarlet woman follows. 17-5 « and on the head her the name is written: the secret, Babylon great, mother of bitches and terrestrial » Then follows nasty things the description and interpretation of an animal between 17-7 and till . Interest represent 17-12 « And ten horns which you saw, essence ten tsars who yet have not received an empire, but will accept authority with an animal as tsars, at one o'clock » 17-13 « they have one ideas and will transfer force and the authority to an animal » 17-15 « And speaks me: waters which you saw where sits bitch, essence people and peoples, both tribes and languages » 17-18 « the Wife whom you saw, are the great city reigning above terrestrial tsars ».

**Comments.** *Bitch it is the American administration led by the President, or, easier, a ruling Republican Party. On face her it is written: SECRET - the confidential Puritan society existing about 500 years; Babylon Great - the One Polar World in the chapter with the USA, Globalize, the USA with the ally the Great Britain; MOTHER OF BITCHES AND TO NASTY THINGS TERRESTRIAL - the American Dream, prosperity and success in any way. All three components correspond to a basis and the maintenance of Puritan sectarianism. Clearly, that city is Washington, the American administrations whence operate. Ten tsars it is the periods of board of the Republican Party. The USA make a nucleus of the Republican Party Puritans.*

**The Bible.** 18 chapter describes falling and ruin of Babylon. 18-2 « ... has fallen, Babylon, great bitch has fallen, has become dwelling of demons and a haven to any dirty spirit, a haven to any dirty and disgusting bird; for furious wine of fornicate the she has given to drink all peoples, » 18-3 « and tsars terrestrial wander with her, and merchants terrestrial have grown rich from great its luxury », 18-4 « ... leave from her, my people to not participate to you in its{her}sins and to not undergo to ulcers of her; » 18-5 « for sins of her have reached the sky, and the God remember her lie » 18-6 « Render to her how also she has rendered to you, and twice render to her on affairs of her; in a bowl in which she prepared to you wine, be going her twice » 18-7 « How many she was glorified and luxuriated, render to her of tortures and sorrows so much. For she speaks in the heart: « I sit Princes, I not the widow and shall not see sorrow! » 18-9 « Both cry and cry about her tsars terrestrial, wander and luxuriating with it when will see a smoke from a fire of her, » 18-10 « costing from afar for fear of its tortures and speaking: to mountain, mountain to you, the great city of Babylon, city strong! For at one o'clock there has come your court. » 18-11 « And merchants terrestrial cry and cry about it because anybody any more does not buy the goods of them, » ... 18-15 « Trading in all that, enriched from her, begin far from fear of tortures of her, crying and sobbing » ... 18-17 « for such riches at one o'clock were lost! ... » 18-19 « ... to mountain, mountain to you, city great which jewelry enriched everything having the ships on the sea for has become empty at one o'clock! » 18-20 « ... for the God has made your court above it » 18-21 « And one strong Angel has taken a stone, ... and down in the sea, speaking: with such aspiration down there will be Babylon, great city, and any more there will be no him » 18-23 « ... for your merchants were grandees of the ground, and your magic enters into error all peoples » 18-24 « And in it blood of prophets and sacred and all killed on the ground » is found

**Comments.** *They are enough. America it will be prompt down from the Olympus, only peacefully and democratically without mystical fires, murders and bloodsheds. In it*

*there is no necessity.*

**The Bible.** 19 chapter describes in paragraphs 1-10 pleasure concerning a victory above beach. 19-6 « I as though Also heard a voice of numerous people, as noise of waters many, as though a voice of thunders strong, speaking: Allay! For God Almighty » 19-9 « was established And the Angel has told to me: write: blessed calling on marriage vespers the Innocent person. Also has told to me: this essence true words of Got » 19-10 « I have fallen down to legs of him to bow to him; but it has told to me: look, do not do this; I server to you and brothers your, having certificate of Jesus; to the God bow; for certificate of Jesus is spirit of a prophecy » 19-11 « And I open have seen the sky, both the horse white, and sitting on it refers to True and True Which justly judges and fighting » 19-12 « Eyes at him as fire fiery, and on a head of Him it is a lot of Diadem. It had a name written which nobody knew, except for Him » 19-13 « He has been invested with the clothes which have been stained with blood. A name to him: « Word of Got "19-14" And troops heavenly followed Him on horses white, invested in byssus white and pure "19-15" From lips of Him the sharp sword proceeds to amaze peoples. It grazes their staff iron; He trembles down grinded fault of fury and anger of God Almighty "19-16" On clothes and on a hip of Him the name is written: « Tsar of tsars and God prevailing » ... 19-19 « Also has seen I an animal and tsars terrestrial and the troops of them collected that will battle with Sitting on a horse and to His troops » 19-20 « And the animal and with him Lie Prophet, making miracles beside him with which it has seduced accepted tracings of an animal and worshipping his image has been seized: both alive are thrown in lake fiery, burning sulfur; » 19-21 « and other are killed by a sword Sitting on a horse, starting with lips of Him, and all birds have become impregnated with their corpses »

**Comments.** Paragraphs 19-6, 19-10 describe socially - political movement, the Party of Orthodox Democracy which members have certificate of Christ. It is obvious, that it is belief and body an orthodox cross. Then from a party transition to its leader in paragraph 19-11. The troops of light will be headed by the Person which name nobody knows, but he knows who it. It not the priest, neither the prophet, nor the Messiah. The usual person with the lacks and advantages. The troops of light will be made with members of the Party of Orthodox Democracy. A Party are orthodox Christians in the union with Moslems and Judies. They also will gather on fight with forces of the Dragon 16-16 « on a place named on Judies the Armageddon ». Fight between forces of Light and Darkness will be, as it can be spoken now, virtual, instead of material with murders, blood and other attributes of hot war. The main weapon of soldiers of light this Word of God. The person of the leader of troops of light we shall leave without comments. For, as John Cross John 3,27 has told, « the person cannot take up anything if not it will be given to him from the sky ». We shall win.

**The Bible.** 20 chapter describes consequences of a victory over a dragon. 20-1 « He has taken a dragon, snake ancient which devil and a Satan is, and has held down him on one thousand years » 20-2 « and has overthrown it in a chasm, both has concluded it, and has put above it a seal that did not seduce already peoples, how long to not terminate one thousand years; after this to him should be released on small time » Paragraphs 20-3, 20-15 tell about events on the termination of thousand years from the moment of a victory over a dragon.

**Comments.** After a victory of Troops of Light will pass about thousand years (twice longer dominations of a dragon to 500 years from creation of ideology of puritans) while the dragon again will not return to the Earth. Peoples of the Earth will have one thousand years of prosperity and the spiritual consent good luck. This our near future.

**The Bible.** Chapter 21 and 22 describe the future far from us. 21-1 « I Also have seen the new sky and the new ground for the former sky and the former ground passed, and the sea already is not present » 21-2 « And I John, has seen holy the city of Jerusalem new, descending from the God from the sky, prepared as the bride decorated for the husband » 21-3 « And I have heard a loud voice from the sky, speaking: home the God

with them will be their God » 21-4 « And open the God any tear from eyes of them, and the death will not be already; neither crying, nor a cry, illnesses any more will not be, for former has passed » 21-5 « And has told Sitting on a throne: I make all new. Also speaks me: write; for words are true and true » Paragraphs 21-6, 21-27 details of a life in a new hailstones are described. In chapter 22 correctness of all prophecies of Revelations of Sacred John affirms. 22-18 « And I also testify to everyone hearing words of a prophecy of the book this: If who will apply that on them, on that the God of a ulcer about which it is written in the book this 22-19 and if who will take away that from words of the book of this prophecy will impose, the God will take away from that participation in the book of a life both in a sacred hailstones and that is written in the book this ».

**Comments.** *In the come century we have mastered the Earth up and down, we shall win the Dragon and animals of it. Our civilization it is measured Got one thousand years on opening of new ways of movement in the universe and presence of Extraterrestrial Civilizations. When we shall make this feat we shall reunite with Got Almighty. For realization of these plans it is necessary to open consciousness of people, harmoniously to develop not only techniques, but on the first place to put spiritual perfection. Probably, now we do not understand how to carry out told, but the persistence and work will solve all most complicated problems trapping earthmen in the future. As if to punishments for free interpretation and comments to Revelations God Almighty will decide, who it is right, and who is not present.*

## CONCLUSIONS

The chapter Sacred John Revelation with 12 on 19 inclusive describe allegorically to us our present and near future. Chapter 20-21 the far future.

The Puritan stereotype of the Apocalypse created by centuries and the Armageddon has no any attitude to real events and to the near future. Puritans have prepared all World for terrible events which synonym they have violently made **the Apocalypse**. As we have already noted, this word means **Revelation**.

Puritans have named top of the Apocalypse **the Armageddon**. An Armageddon this place of a meeting of Troops of Light and Darkness. Puritans project this fight in a material world. **The world spiritual cannot cooperate directly with a material world.** The Armageddon is the future fight in souls of all people of the Earth. Each person will have internal Armageddon, i.e. it should make the moral choice for the benefit of forces of Light and Sirs Got or to proceed in fort forces of Darkness and Satanists. Modern Satanists it do not draw with horns, and the respectable sirs managing magnificent automobiles, planes, yachts and all modern world by means of ideology of Puritanism.

Top of this ideology is the state USA with an embodiment of the American Dream, individualism, extraction of material benefits and success at any cost. The One Polar world in the chapter with the USA, Globalize, Anglo-Saxon Liberalism, the international terrorism, secret clans - sects of Puritans. It is the first Animal. The tool of achievement of the superiority of the first Animal above the world is the dollar. It is the second Animal. All people in the world to some extent have a mark of the second Animal, dollar, on hands or in a head (in purses, on personal or firm accounts).

Sacred John Apocalypse describes political and ideological struggle of the beginning of the twenty first century in the mystical form. The Party of the Satan in the modern world is represented the Republican Party by the USA, Conservative party of the Great Britain, liberals of all colors, weight of political movements all over the world, based on ideology of Puritanism in the greater degree and Protestantism to a lesser degree.

The probable reason of leaving of Puritans and Protestants aside the Satan is infringement by Catholic Church, and then and all other new churches, execution of the Grade of the Christening.

The part of puritans accepts a christening at mature age, and Puritans Congregationalist at all do not demand for members of communities of acceptance of a christening. It means one - puritans not Christians, and Satanists. Now the difference between puritans and Puritans Congregationalist (Separatists) was erased.

Anti Christ and Lie Prophet the modernity it anything other, as people provoked transformation of true Jesus Christ in a subject of worship of Satanists, changed sincere belief in Innocent person Jesus who has brought in a victim in the name of rescue of all mankind, ideology and religion of Puritanism with the doctrine of Absolute Predefinitions which was distorted by Jean Calvin in 16 century. Obviously, he also is the first Anti Christ.

To resist to Parties and socially - to political movements of Sectarians - Satanists only new Party created now can. It is the Party of Orthodox Democracy. The Party of Orthodox Democracy should unit in the numbers Orthodox, Moslems, Judies and atheists. To Catholics also the road is not ordered. A stronghold of movement should become Orthodox Church, which despite of difficulties and persecutions, has managed to keep belief and traditions of our fathers, grandfathers and ancestors. The ideology of a Party is based on Orthodoxy, an Islam and Judaism. A basis - Orthodoxy.

The Party of Orthodox Democracy should come in the democratic way to authority, asserting freedom, freedom and freedom. Persons, political and economic. Any Empires and Emperors any more will not be. Only in the democratic way, belief and the spiritual consent the world in the near future will cope. The authority will possess indisputable authority, instead of dictatorial manners. Freedom, the education, a full openness - our main weapon.

In the democratic and civilized way without wars, death, violence and blood will be won with Troops of Light. The dragon with the Animals will be повержен in abyss of anarchy, a shame and an economic collapse. Word of Got with us.

Last 500 years of development of the Earth have been connected to continuous struggle of two secret societies or sects as it will be necessary. All History and economic development of the world are connected to this struggle. Completely not class or struggle of ethnos.

These societies: Puritans - Satanists and masons. Masons are our probable allies. Though they also count themselves observers, has come it is time to be determined and take part in a world Armageddon. In the USA masons have practically lost the reference points and priorities. Actually they are already absorbed by the recent enemies. By secret or obvious penetration inside of Masonic lodges of puritans, double agents. The dragon has practically won not only all world, but also the ideological antagonists of masons or Free Masons.

Example of this absorption is the Presidential selective company in the USA of 2004. The president USA D. Bush, the republican and the puritan, is a member of youthful Puritan organization Jell of University under the name «Skull and Bones».

The candidate for Presidents the USA from Democratic Party D. Kerry, the democrat and the mason, the Jew on 75 %, is a member of youthful Puritan organization Jell of University «Skull and Bones».

What is «Skull and Bones»? This student's Puritan organization has been created in 1832. Each release Jell of University 15 person from the best students are accepted in this secret community which symbol is «Skull and Bones» (as piracy Black - Jack). The charter of a society includes a secret ceremony of dedication, which is the DEVILISH ceremony under the form and an essence. The general with Christianity it has no anything. Earlier in this society accepted only white men, now have allowed to enter to women and Negroid. The head of club is Prince for the others, as attributes of club swords, knightly utensils, any devilry serve. Members of this club will consist on the average about 800 living people. It is a lifelong duty. Into this sect entered - grandfather D. Bush, his father, itself D. Bush and, at last, D. Kerry. The student's unions such as «Skull and Bones» are the first steps of secret

Communities of puritans. In process of growth and promotions in career of members of this first link distribute in the supreme and influential echelons of secret structure of puritans. A part of pupils automatically get under influence of a secret society of masons and are absorbed inside. But it is people struck with a virus of a temptation of puritans. In a result Masonic lodges in the USA now are completely poisoned with ideology of Satanists - Puritans and Masonic any more are not.

All system of democracy the USA is struck with Puritans - Satanists. Democracy is a screen under which management of the country of people disappears not by presidential elections, and management Prince of Puritans or Masons. And as masons already and not masons America copes one confessor of puritans, Prince. Actually it also is the Satan in flesh. A vivid example 2004. Who would not win forthcoming elections - republican D. Bush or democrat D. Kerry, will operate the USA Prince of Puritans. And as the USA operates the world Prince of Puritans will possess authority above all Planet the Earth.

Who does not divide such state of affairs in the world, can enter the name in the Party of Orthodox Democracy. Despite of huge force and infinite riches of the Dragon, we shall win. We shall return a history and mankind in a channel of morals and the consent good luck Got, Jesus Christ. At puritans odds in one thousand glasses, with us Word of Got and Belief, Hope, Love.

The spiritual victory over ideology of puritans is realized in a material world as political, military and economic components. Soldiers of Light will generate new economic and political oligarchy, which will operate a planet for long centuries, developing spiritual, creative potential of the population of the Earth, supporting weak and ailing.

**22-21 « Good fortune our Jesus Christ's Sirs with all of you. Amen »**
